Declaration of Performance

9. Declared performance UMN 3.9-4.8 Medium Gypsum-fibreboard to Metal / Wood

PRODUCT : Mechanical Fasteners for gypsum plasterboard systems			
INTENDED USE: See Clause 1			
Essential characteristics	**Requirement/Level or Class**	**RESULT**	**Harmonized technical specification**
Resistance to fire (for exposed situations)	A1 -F	A1 Pass	**EN 14566:2009-10**
Flexural tensile strength (Bending Behavior)	>10°	Pass	

10. Declaration

The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 9. This declaration of performance (DoP) is issued under the sole responsibility of the manufacturer identified in point 4.

Ecology, Health and Safety Information (REACH)

This product is an article as defined in article 3 of regulation (EC) No 1907/2006 (REACH). It contains no substances which are intended to be released from the article under normal or reasonably foreseeable conditions of use. **A safety data sheet** following article 31 of the same regulation **is not needed** to bring the product to the market, to transport or to use it. For safe use follow the instructions given in this product data sheet.

Based on our current knowledge, this product does **not contain SVHC (substances of very high concern)** as listed in Annex XIV of the REACH regulation or on the candidate list published by the European Chemicals Agency in concentrations above 0.1 % (w/w).

Legal note:
This information is given in good faith based on Grabber's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Grabber's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Grabber reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
